Turning Up the Volume on Health Care

On November 7, 2026, the Vandalia Health Ball of the Year returns to the Morgantown Marriott at Waterfront Place for an unforgettable evening celebrating the people, partnerships and generosity that make exceptional health care possible.

As one of our region's premier philanthropic events, the Ball of the Year brings together community leaders, physicians, supporters and friends of Vandalia Health for an elevated black-tie experience with a purpose: advancing health care for the communities we serve.

This year, we're AMP'D UP.

Inspired by the energy and connection of music, AMP'D UP: An Electric Ball of the Year will transform the traditional gala experience into an elevated, multi-genre celebration. From live entertainment and immersive experiences to inspiring stories of impact, every element of the evening is designed to turn up the volume on health care and celebrate the collective impact we can make together.

Just as every great performance is powered by countless people working together, exceptional health care takes physicians, caregivers, donors, businesses and community partners all playing a part. Through sponsorship of the Ball of the Year, you help amplify that impact—supporting programs, services and initiatives that strengthen patient care throughout Vandalia Health's northern region.
