

YOUR SPONSORSHIPS AT WORK

BALL OF THE YEAR SPONSORSHIPS SELLING FAST

There's a new Sherriff in town...

The Vandalia Health Ball of the Year – "Frontier of Care: A Wild West Ball of the Year" on November 1st promises to be an unforgettable night honoring our generous community and dedicated employees. Proceeds will benefit all hospitals within Vandalia Health's northern region, or you may choose your local hospital, keeping your support close to home.

We extend enormous thanks to the Mon Health Medical Center Auxiliary for 60 years of laying the groundwork and supporting us with over \$5 million in donations, with a majority stemming from Ball of the Year proceeds.

Sponsored tables are selling fast, so we encourage to you to reserve now for the best seating. Let's celebrate!

Contact Laura McCall to secure your table at this highly anticipated event!

GOLF CLASSICS SUPPORT NEW MOTHERS AND FAMILIES

The 2025 WVRG Media Golf Classic and DeLynn Memorial Golf Classic raised \$203,500 to support the Progressing through Postpartum (P3) Program.

One in 5 mothers and one in 10 partners experience a perinatal mood disorder such as depression and anxiety during pregnancy and up to a year after giving birth. The P3 program combats these statistics by offering postpartum support services to new families. With screening, early detection, and management of symptoms, we can provide continuous support throughout their journey. And with the addition of Moodr Health, a secure messaging platform, the impact has been substantial with a 43% improvement in mood and anxiety disorder scores.

The Mon Health Medical Center Auxiliary seeded this program in 2019, and again in 2021, with proceeds from the Ball of the Year.

October 3

RANDY ROGERS MEMORIAL CLAY SHOOT

Proceeds from this 5th annual event support the Organ Donor Wall project at the upcoming Mon Harrison Neighborhood Hospital.

TOGETHER, WE MAKE THE DIFFERENCE!
