

In accordance with section 2718(e) of the Public Health Service Act and and CMS FY19 IPPS Final Rule, Mon Health Medical Center is making available a public listing of their standard charges. To properly estimate the patient responsibility of any procedure, it is recommended that all patients reach out to Patient Financial Services for an individualized estimate regarding services being provided by Mon Health Medical Center. All pricing listed is not reflective of any contractual adjustment, fee schedule or uninsured discount.
