

CARE IN ACTION

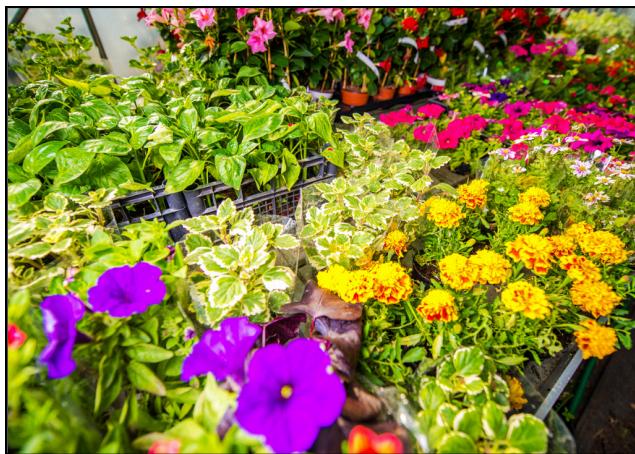

FOUNDATION FIRST FRIDAYS

TIME TO DON YOUR DERBY BEST

Tomorrow is the day! We look forward to seeing everyone in their derby best. Doors open at 3:00 p.m. at the 4T Arena in Bridgeport.

With May being Mental Health Awareness Month, we want to highlight that the proceeds from The Derby benefits the Progressing Through Postpartum (p3) program—an initiative dedicated to supporting new and growing families during one of life's most important transitions.

With 1 in 5 mothers and 1 in 10 partners experiencing perinatal mood disorders, the P3 Program offers compassionate, expert support throughout pregnancy and the entire first year postpartum. This full-service program provides virtual outreach, childbirth and feeding education, postpartum guidance, and personalized follow-up care, ensuring families have access to the resources they need, when they need them.

SPRING FLOWER SALE

The Mon Medical Center Auxiliary's beloved Spring Flower Sale is back—one of their most anticipated traditions of the season. Fresh flowers will arrive straight off the truck and be available for purchase in the hospital lobby beginning May 5 and continuing through May 6, while supplies last.

Be sure to stop by early—these blooms go quickly!

IN FULL BLOOM: BECAUSE COMPASSION DESERVES RECOGNITION

May 6 - May 12th is National Nurses Week where we have the opportunity to recognize our nurses for the truly exceptional care that they give. Through our In Full Bloom campaign, patients, staff, family members, and doctors can recognize our nurses and nursing units by purchasing Blooms and Butterflies in their honor to be displayed.

Proceeds from the In Full Bloom campaign will support the Nurse Professional Development Fund. The Nurse Professional Development Fund is a newly established regional fund supporting nurses across Vandalia Health northern market, with a focus on advancing professional growth and long-term career development. The goal of the fund is to create a clear pathway for nurses to grow from bedside practice into leadership, education, and system-level roles.

The fund is housed at Mon Medical Center for administrative purposes, while supporting nurses across all northern region facilities. Nursing administrative leadership will help guide priorities and ensure funding aligns with the greatest needs across the region.

\$20 sponsors a bloom honoring a nurse
\$250 Sponsors a butterfly celebrating a nursing group

Donations can be made by clicking the butterfly below or at MonHealth.com/foundation/donate

MEET THE FACES BEHIND THE CARE

We're proud to spotlight Brittany Kelley, Operations Manager at Vandalia Health Mon Marion Neighborhood Hospital.

Brittany has been part of the team for more than four years and is driven by a commitment to making a meaningful impact alongside those she serves.

“What I enjoy most about my job is the opportunity to make a difference while working with a supportive team. Each day brings new challenges that keep the work engaging and help me grow both personally and professionally.”

Brittany was recently recognized as Mon Marion's iCARE Champion of the Year, honoring her exceptional commitment to elevating the patient experience.

Beyond her role, she is actively engaged in the community, serving as president-elect of the West Virginia HFMA chapter and as a member of the Marion County Chamber of Commerce Board. She is also a graduate of Leadership Marion.

Outside of work, Brittany enjoys traveling with her family, leading her son's Cub Scout den, and cheering him on at his sporting events.

Brittany's leadership and dedication reflect the values that drive care across our Vandalia Health communities.

PADDLES UP!

The Vandalia Health Dragon Boat Festival is quickly approaching! There are many ways to get involved: become a sponsor, gather your team of paddlers, or support the event in other meaningful ways.

Join us June 20th in celebration of West Virginia Day as we come together for a day of teamwork, friendly competition, and impact, all in support of our communities. Learn more at monhealth.com/dragonboats.

 Vandalia Health

Vandalia Health is proud to present a three-part Golf Classic Series at Pete Dye Golf Club, where every swing supports care in our communities.

This year's lineup includes:

- WVRC Media Invitational Golf Classic on July 6, benefiting the Nurse Professional Development Fund
- DeLynn Memorial Golf Classic on August 3, supporting the Patient Transportation Comfort Fund
- Davis Health System Golf Classic on August 31, benefiting cancer care services.

Each event offers a meaningful opportunity to enjoy a premier golf experience while making a direct impact on patient care across our health system.

To learn more or to secure your spot in one or all 3 of our golf classics, [visit our events page](#) or contact Joanna Wiley at Joanna.Wiley@VandaliaHealth.org.

DAVIS MEDICAL CENTER INTERIM CAO

Dr. James Gainer was named Interim Chief Administrative Officer of Davis Medical Center on April 21 following Ron Andro's departure. A native of Elkins, he earned his medical degree from West Virginia University School of Medicine in 1992 and completed his residency at Charleston Area Medical Center (CAMC).

With more than 30 years of experience, Dr. Gainer has practiced in outpatient and hospital settings, helped establish the hospitalist program, and served as its medical director for over a decade. He has also held key leadership roles, including Chief Medical Information Officer and Associate Chief Medical Officer, supporting clinical operations, informatics, and strategy. Known for his collaborative leadership style, he brings a strong focus on quality, safety, and patient experience, providing stability and oversight during this transition.

STAY CONNECTED

We value the relationships that make this work possible and welcome opportunities to stay in touch. To learn more about our foundations, ask a question, or continue the conversation, we invite you to connect with any of our teams across Vandalia Health North.
