

CARING COTTAGE OFFICIALLY OPEN

The first Caring Cottage opened its doors this month, and with local artists donating their artwork to provide the finishing touch, we can offer families a comforting place to stay close to loved ones receiving care. With the second cottage scheduled to be in place shortly, we are now able to provide the "home-away-from-home" experience for our patients and their families who are in unfortunate times of stress and financial instability, ensuring connection when they need it most. These long awaited cottages were only made possible by YOU, our donors, and all those who supported the 2023 and 2024 Ball of the Year. Thank you!

PRESTON CELEBRATES 70 YEARS

Vandalia Health Mon Preston Memorial Hospital celebrated 70 years at the 83rd Annual Buckwheat Festival in Kingwood, honoring our long-standing history in the community. Participation included an anniversary float and artifacts display that won 3rd place in the educational exhibits, and included renderings of the new addition for the Oncology and Infusion Center slated to open in 2026.

P3 TAILGATES AT THE BRAWL

Mon Health OB/GYN raised awareness and support for the Progressing through Postpartum (P3) program during the Backyard Brawl on September 13th. The P3 staff accepted donations while providing information on this valuable program that supports new families as they begin their journey into parenthood, with one father stating, "This program made us both feel less alone and showed us how to get through it together." P3 is a game changer for all parents in need of support. Special thanks to Sweet P's Barbeque for tailgating with us at Mon Health Medical Park and donating a portion of their proceeds to the P3 program. To learn more, call Mon Health OB/GYN at 304-598-5811.

Only 4 weeks until the Wild West Ball of the Year! Contact Laura McCall to secure your spot on November 1st.
304-285-2289

You're invited to the 2026 Bob Huggins Fish Fry on January 30th at Mylan Park! It's the perfect way to kick off the weekend before cheering on the Mountaineers as they take on Baylor at home on the 31st. We look forward to seeing you again this year, and coming together to support cancer patients across West Virginia.
