

Care from the Comfort of Your Own Home

Mon Health is Now Offering Virtual Visits at No Cost.

Skip the waiting room, and access a doctor's visit from the comfort of your own home. All you need is high-speed internet service and a smartphone, tablet or computer with a web camera to participate.

How does it work? Simple. Use your device of choice to access monhealth.doxy.me/provider and follow the steps below.

STEP 1

Call your clinic to request an appointment.

STEP 2

Once you have an appointment, our staff will provide you with the doctor's name who you are seeing.

STEP 3

Head to the URL to find your doctor, and click the link to connect.

Now Offering Virtual Appointments for:

- Behavioral Health
- Dermatology
- Diabetes Education
- Heart & Vascular
- General Surgery
- Infectious Disease
- Neurology
- Obstetrics & Gynecology
- Oncology
- Pediatrics
- Primary Care
