

# HEALTH FAIR | MULTIPHASIC EVENTS ON HOLD

We apologize for the inconvenience.

Following the recommendations of the CDC and WV DHHR, we are canceling or postponing all events with large volumes of attendees through May 10, as well as closing public access to conference spaces and cafeterias across our campuses, until the CDC restrictions are lifted.

If you have already registered and paid for a canceled multiphasic event, we will reach out to you regarding reimbursement and next steps. We will reassess the situation at the end of April and provide updates on the pending events mentioned below.

Thank you for understanding. Our priority is the safety of our patients, employees and communities we serve.

## CANCELED EVENTS
